

## Dear friends,

Have you ever noticed that when September arrives, time seems to speed up? The holidays are upon us before we know it, and for those of us who love crafting handmade cards, favors, and packaging, we can find ourselves scurrying at the very last minute to make the season bright!
Why not begin checking things off your Christmas list now and get together with your friends for a crafting party? You'll have fun visiting and enjoying the feeling of putting a handmade touch on your holidays-while freeing up days to savor the season with your loved ones.

Besides, holiday papercrafting parties are a great way to ease in to the most wonderful time of the year and give you warm and happy memories of time spent with friends. It's a win-win all around!

I hope you'll enjoy this beautiful catalog. You're sure to find lots of inspiration inside! And if you need someone to give you project ideas, your Stampin' Up! ${ }^{\text {® }}$ demonstrator will be more than happy to help.

Before I close, I'd like to express gratitude for our talented European demonstrators who are celebrating ten years with Stampin' Up! in November! You're an inspiration to all of us.
Have a merry holiday season!
